

## **VPP offers coverage for various types of jewelry, including:**

- Engagement rings and cherished heirlooms
- Rings and earrings
- Necklaces and bracelets
- Watches, including smartwatches

## **What does jewelry insurance cover?**

Jewelry insurance provides coverage for repairing or replacing your insured items. Here are some instances where claims are covered:

- Accidental drops and breakages
- Loss or misplacement of jewelry
- Theft
- Damage due to fire
- Incidents related to weather

You have the flexibility to customize your VPP policy according to the value of your jewelry.

## **A VPP policy extends coverage to other valuables that hold significance to you:**

- Cameras
- Fine art
- Guns and bows
- Musical instruments
- Silverware
- Furs
- Stamps and coins
